Student of the Week

Junior Room: To Curtis for showing lots of persistence with his school work. Well done on learning all the Foundation frequently used words.

Senior Room: To Danial for being an excellent representative of our school at the Coinda visit. Danial took the initiative to join a table of residents, introduce himself and enjoy a conversation with the people on his table. Well done Danial for showing great confidence and initiative.

Coinda Visit

The whole school visited Coinda last Tuesday where the children performed their Concert items for the residents. The children did a great job and all the residents really enjoyed the performance. Following the performance the students spent some time with the residents talking and interacting. They were also treated to a cookie and juice.
