**Swimming**

The swimming program has now concluded and it has been great to watch the improvement in the children’s swimming and water confidence skills. A HUGE thank you to the parents who have helped with transporting the children into the Benalla Aquatic Centre.

**Cooinda Visit**

The whole school will be visiting Cooinda Elderly Residents home on Tuesday the 18th November. We will hopefully perform some of our concert songs for them. For this excursion we are asking that families please pick their children up at school at 1.45pm and take them to Cooinda. Children can then be picked up at Cooinda at 3.15pm.

**Cooking**

Tomorrow the students will be having a cooking and gardening session. On the menu there will be:

- Mini Vegie Pasties
- Chicken, celery and Gai Lan Stir Fry
- Beetroot and Choc Brownies

We are looking for some parent helpers for Tuesday morning cooking so if you can lend a hand please see Kellie.

**Cubby House**

I hope everyone has had a look at our new Cubby House. What a great effort from Kylie Brown for chasing up this great program run by the Beechworth Correctional Centre. The Cubby Gang came out to the school last Wednesday and erected the flat pack cubby for our school. The cubby was donated to the school, with the only cost being the price of the roofing materials. Thank you also to Shaun Brown for his help with placing the cubby and assisting where needed.
15 Mile Creek Camp
The F/1/2 children had an amazing time at camp last week. Whilst at camp they learnt a lot about nature and the environment with lots of first hand experiences. They also were fed nutritional yummy food and most had the experience of staying away from home for a night. Back at school the children did an ABC Chart about school which will give you some idea of what they got up to.

Tissues
There are quite a few children with coughs and sniffles at the moment. As we are getting towards the end of the year and our budget is very tight we are asking parents to supply their child with a box of tissues if they require them.
You Can Do It
Congratulations to Charlie, Curtis and Brandi for getting 10 resilience stickers. Liam for 10 Getting Along stickers and Jack 10 confidence stickers. Also a BIG congratulations to Brandi for receiving her YCDI wristband.

Chicken Pox
We have recently experienced several cases of Chicken Pox in the school. If your child contracts Chicken Pox, they are required to be excluded from school up until the blisters have dried. This is usually at least 5 days after the rash appears in unimmunised children, but may be less in previously immunised children.
